 We'll join everlasting song, and crown Him Lord of all

**WEEKLY SCRIPTURE: JOSHUA 4:1-9 (NLT)**

*Talking Stones*

Service: 8 a.m. | 9:30 a.m. | 11:15 a.m.

**1** When all the people had crossed the Jordan, the LORD said to Joshua,  
**2** “Now choose twelve men, one from each tribe. **3** Tell them, ‘Take twelve stones from the very place where the priests are standing in the middle of the Jordan. Carry them out and pile them up at the place where you will camp tonight.’” **4** So Joshua called together the twelve men he had chosen—one from each of the tribes of Israel. **5** He told them, “Go into the middle of the Jordan, in front of the Ark of the LORD your God. Each of you must pick up one stone and carry it out on your shoulder—twelve stones in all, one for each of the twelve tribes of Israel. **6** We will use these stones to build a memorial. In the future your children will ask you, ‘What do these stones mean?’ **7** Then you can tell them, ‘They remind us that the Jordan River stopped flowing when the Ark of the LORD’s Covenant went across.’ These stones will stand as a memorial among the people of Israel forever.” **8** So the men did as Joshua had commanded them. They took twelve stones from the middle of the Jordan River, one for each tribe, just as the LORD had told Joshua. They carried them to the place where they camped for the night and constructed the memorial there. **9** Joshua also set up another pile of twelve stones in the middle of the Jordan, at the place where the priests who carried the Ark of the Covenant were standing. And they are there to this day.

## MY LEGACY

Written by Mary McLeod Bethune

Sometimes I ask myself if I have any other legacy to leave. Truly my worldly possessions are few. Yet, **my experiences have been rich**. From them I have distilled principles and policies in which I believe firmly, for they represent **the meaning of my life's work**. They are the product of much sweat and sorrow. Perhaps, in them is something of great value. Here, then, is my legacy.

I leave you **LOVE**. Love builds. It is positive and hopeful. It is more beneficial than hate. Love thy neighbor is a precept which could transform the world if it were universally practiced.

I leave you **HOPE**. Yesterday, our ancestors endured degradation, yet they retained their dignity. Today, we direct our economic and political strength toward winning a more abundant and secure life.

I leave you **A THIRST FOR KNOWLEDGE**. Knowledge is the prime need of the hour. More and more, we are taking full advantage of hard won opportunities for learning. If we continue in this trend, we will be able to rear increasing numbers of strong powerful men and women equipped with vision, mental clarity, health and education.

I leave you **THE CHALLENGE OF DEVELOPING CONFIDENCE IN ONE ANOTHER**. We must spread out as fast and as far as we can but we must also help each other as we go.

I leave you **A RESPECT FOR THE USE OF POWER**. We live in a world which respects power above all things. Power intelligently directed, can lead to more freedom. It has always been my first concern that power should be placed on the side of human justice. We must select leaders who are wise and courageous, and of great moral stature and ability. We have great leaders among us today. We have had other great men and women of the past: Harriett Tubman, Sojourner Truth, and Mary Church Terrell.

I leave you **FAITH**. Without faith nothing is possible. With it, nothing is impossible. Faith in God is the greatest power, and great too is faith in oneself.

I leave you **RACIAL DIGNITY**. I want us to maintain our human dignity at all costs. We must recognize that we are the custodians as well as the heirs of a great civilization. We have given something to the world and for this we are proud and fully conscious of our place in the total picture of mankind's development. Despite many crushing burdens and handicaps, I have risen from the cotton fields of South Carolina to found a college, administer it during years of growth, become a public servant in the government and county, and a leader of women.

I leave you **DESIRE TO LIVE HARMONIOUSLY WITH YOUR NEIGHBOR**.

I leave you, finally **A RESPONSIBILITY TO OUR YOUNG PEOPLE**. We have a powerful potential in our youth and we must have the courage to change old ideas and practices so that we may direct their power toward good ends.

**FAITH, COURAGE, KINSHIP, DIGNITY, AMBITION, RESPONSIBILITY**—these are needed today as never before. We must cultivate them and use them as tools for our task of completing the establishment of equality. We must sharpen these tools in the struggles that face us and find new ways of using them. The Freedom Gates are half ajar. We must pry them fully open.

If I have a legacy to leave my people, it is my philosophy of living and serving. As I face tomorrow, I am content. I think I have spent my life well. I pray now that my philosophy may be helpful to those who share my **VISION OF A WORLD OF PEACE**.

***Mary Jane McLeod Bethune** (July 10, 1875 - May 18, 1955) was an American educator and civil rights leader best known for starting a school for black students in Daytona Beach Florida that eventually became Bethune-Cookman University and for being an advisor to President Franklin D. Roosevelt. Born in South Carolina to parents who had been slaves, she took an early interest in her own education. With the help of benefactors, Bethune attended college hoping to become a missionary in Africa. When that did not materialize, she started a school for black girls in Daytona Beach.*
